

**Bobsleigh CANADA Skeleton  
Skeleton World Junior Championship – Selection Criteria  
2010 – 2011**

**FIBT QUOTA – Available Positions**

For the 2010/11 season, Canada has qualified for the following number of athletes at the Skeleton World Junior Championships:

3 Men / 3 Women

**Eligibility**

Athletes must have participated in the 2010/11 National Selection Process and/or the Slide 2018 Selection Process, and/or have met International Criteria for World Junior Championship participation.

**Final Selection**

Upon completion of the selection time frame, the Head Coach will nominate the list of eligible athletes to the Selection Committee. The Selection Committee will be comprised of: High Performance Director – Skeleton, National Development Coordinator – Skeleton. The Selection Committee will confirm the nominees, and render a final decision.

**Appeals to Bobsleigh Canada Skeleton - Internal**

Any dispute with regards to the selection and nomination to the Skeleton World Junior Championship Team will be dealt with by Bobsleigh Canada Skeleton's appeal procedure as outlined in Bobsleigh Canada Skeleton's 2010/11 Athlete's Agreement.

**Unforeseen Circumstances**

There may be an occasion, where unforeseen and intervening circumstances do not allow the BCS Skeleton World Junior Championship Selection Criteria to be fairly and objectively applied. In this case, an appeal can be made by the athlete(s) in question to the BCS Appeals Committee who reserves the right to rule on an appropriate course of action.

The selection procedure is based on FIBT rules and regulations as presently published. Any change in the selection procedure caused by a change in FIBT rules and regulations will be distributed to all athletes immediately.

Fairness, equal opportunity and the desire to field the most competitive team for this international competition are the guiding principles and will determine the administration of the selection criteria described below.

The 2010/11 Skeleton World Junior Championship Selection Criteria is based on the latest information available to BCS. However, this criteria is always subject to unforeseen, intervening circumstances and no doubt have not accounted for every possible contingency.

**BCS reserves the right not to take the full contingent of athletes based on budgets, competitive schedules, and/or coaches / selection committee discretion.**

**SKELETON WORLD JUNIOR CHAMPIONSHIP TEAM**

The **Skeleton World Junior Championship Team** may consist of the maximum of three (3) Men and three (3) Women as per FIBT allowed quotas. Consideration for the World Junior Championship Team will be given to athletes who have met the following criteria:

1. For each discipline, positions #1 & #2 will be designated to athletes whom have the highest 2010/11 FIBT Rank Position by 11:59pm on January 25, 2010, and meet the specific criteria requirements for World Junior Championship participation.
